Who are we?

Established in 2004, **Meet The Parents** is Immediate Theatre's innovative, peer-led education project that has delivered high quality SRE to over 20,000 young people in Hackney and Tower Hamlets. The project aims to reduce teenage pregnancy rates and improve sexual health and relationship skills amongst young people. Sessions are led by local trained young parents using drama as a stimulus to explore issues and to engage young people in learning.
